## Summary

I have six months of experience in the IT industry. Self-started and capable of using technical skills for the betterment of the organization. I completed a bachelor's degree, and then PG-DAC enhanced my proficiency in developing applications. I am skilled in Java (oops concept), JavaScript (HTML, CSS), node js, React js, Dot net(C#), git, sequel queries, MYSQL database, Linux command. And I look forward to working in a competitive environment that enhances overall learning.
